1. Equality and Diversity Statement

Cloughwood Academy is an inclusive school where we focus on the well-being and progress of every child and where all members of our community are of equal worth. We believe that the Equality Act provides a framework to support our commitment to valuing diversity, tackling discrimination, promoting equality and fostering good relationships between people. It also ensures that we continue to tackle issues of disadvantage and underachievement of different groups.

At least every four years, we will review our objectives in relation to any changes in our school profile. Our objectives will sit in our overall school development plan and therefore will be reviewed as part of this process.

2. Legal Duties

As a school we welcome our duties under the Equality Act 2010. The general duties are to:

- Eliminate discrimination,
- Advance equality of opportunity
- Foster good relations

We understand the principal of the act and the work needed to ensure that those with protected characteristics are not discriminated against and are given equality of opportunity.

A protected characteristic under the act covers the groups listed below:

- Age (for employees only)
- Disability
- Race (includes ethnic or national origins, colour or nationality)
- Gender (including issues of transgender)
- Gender reassignment
- Maternity and pregnancy
- Religion and belief (includes lack of belief)
- Sexual identity
- Marriage and Civil Partnership (for employees)

In order to meet our general duties, listed above, the law requires us to do some specific duties to demonstrate how we meet the general duties. These are to:

- Publish equality information annually – to demonstrate compliance with the general duty across its functions (Appendix 2).
In line with DfE guidance, we will not publish any information which relates to fewer than 3 people, so as not to identify any pupil. Also, as an organisation with less than 150 employees, we are not obliged to publish employee-related data.
- Prepare and publish equality objectives, at least every four years (Appendix 3).

To do this we will collect data related to the protected characteristics above and analyse this data to determine our focus for our equality objectives. The data will be assessed across our core provisions as a school. This will include the following functions:

- Admissions
- Attendance
- Attainment
- Exclusions
- Prejudice-related incidents

Our objectives will detail how we will ensure equality is applied to the services listed above however where we find evidence that other functions have a significant impact on any particular group we will include work in this area.

We also welcome our duty under the Education and Inspections Act 2006 to promote community cohesion.

We recognise that these duties reflect international human rights standards as expressed in the UN Convention on the Rights of the Child, the UN Convention on the Rights of People with Disabilities, and the Human Rights Act 1998.

In fulfilling our legal obligations we will:

- Recognise and respect diversity
- Foster positive attitudes and relationships, and a shared sense of belonging
- Observe good equalities practice, including staff recruitment, retention and development
- Aim to reduce and remove existing inequalities and barriers
- Consult and involve widely
- Strive to ensure that society will benefit

See Appendix 1 for examples of how we achieve this.

The Equality Act also applies to schools in their role as employers, and the way we comply with this is found in our recruitment policy and Staff Handbook.
