Dear Parent/Carers

RE: Change in uniform

In consultation with the School Council we are changing the school uniform colours please see below for details.

It has been agreed that this change will be phased in over the Summer term, so parents/carers do not have to purchase new uniform if their current one still fits. From September all students will be wearing the new uniform colours.

When you son moves up the school into a different uniform colour, the school will issue them with 1 item; if you require any additional uniform this can be bought from the school. Please see attached revised uniform price list from April 2016.

Yrs 3/4/5/6	Light Blue fleece and Navy blue polo.
Yrs 7/8/9	Navy blue fleece and Navy blue polo.
Yrs 10/11	Navy blue fleece and Royal blue polo.

Regards

A Larkin
