- Being vigilant for any signs of bullying towards CLA and previously-CLA.
- Promoting the self-esteem of CLA and previously-CLA.
- Being inclusive with all on-site and off-site activities.

Personal Education Plan (PEP)

All CLA must have a care plan; PEPs are an integral part of this care plan.

- The PEP is an evolving record of what needs to happen for a student to enable them to make the expected progress and fulfil their potential.
- The PEP will reflect the importance of a personalised approach to learning which meets the identified educational needs of the child.
- The school with other professionals and the child's carers will use the PEP to support the child's educational needs, raise the child's aspirations and improve their life chances.
- All relevant bodies, such as the LA, the designated teacher and carers, will involve the child in the PEP process at all stages.
- The PEP will address the student's full range of education and development needs, including:

Ø Access to the appropriate provision

Ø On-going catch-up support, which will be made available for children who have fallen behind with work.

Ø Suitable education provided by the LA, where the child is not in school because of suspension or exclusion.

Ø Transitional support where needed, such as if a child is moving to a new school.

Ø School attendance and behaviour support, where appropriate.

Ø Support to help the child meet their aspirations, which includes:

Ø Support to achieve expected levels of progress for the relevant national key stage and to complete an appropriate range of approved qualifications.

Ø Careers advice, guidance and financial information about FE, training and employment, that focusses on the child's strengths, capabilities and the outcomes they want to achieve.

Ø Out-of-school hours learning activities, study support and leisure interests.

Working with agencies and the VSH

- The school will ensure that copies of all relevant reports are forwarded to the CLA social workers, in addition to carers or residential social workers.

- The school will coordinate their review meetings.

- The school will work with other agencies to exchange information, such as changes in circumstances, exclusions or attendance issues, taking prompt action, where necessary, to safeguard CLA and previously-CLA.

- The designated teacher for CLA and previously-CLA will communicate with the VSH and child's social worker to facilitate the completion of the PEP.

- Through the designated teacher, the school will work with the VSH, social worker and other relevant agencies to monitor any arrangements in place so that actions and activities recorded in the child's PEP are implemented without delay.

- The designated teacher will communicate with the VSH and agree on how student premium plus (PP+) can be used effectively to accommodate the child's educational attainment and progress.

- PP+ for previously-CLA will be allocated directly to, and managed by, the school.

- The school will work with the VSH to manage allocation of PP+ for the benefit of our cohort of CLA, or previously-CLA, and according to their needs.

- If deemed necessary, the school will allocate an amount of funding to an individual to support their needs.

- The designated teacher will ensure consistent and strong communication with the VSH regarding CLA who are absent without authorisation.
- The school will share their expertise on what works in supporting the education of CLA and previously-CLA.

Training

The designated teacher and other school staff involved in the education of CLA and previously-CLA have received the appropriate training, this includes information about the following:

- School admissions arrangements
- SEND
- Attendance
- Exclusions
- Options on accreditation
- Managing and challenging behaviour
- Promoting positive educational and recreational activities
- Supporting students to be aspirational for their future education, training and employment
- **Safeguarding**

All training will be provided so that staff are equipped with the skills, knowledge and understanding necessary to keep CLA and PCLA safe.

Student Mental Health

- CLA and previously-CLA are more likely to experience the challenge of social, emotional and mental health issues which can impact their behaviour and education. Designated teachers will have awareness, training and skills regarding a child's needs and how to support them in relation to behaviour management and mental health.
- The designated teacher will work with the VSH to ensure the school is able to identify signs of potential mental health issues, understand the impact issues can have on CLA and previously-CLA, and knows how to access further assessment and support, where necessary.

- Boxall assessment will be used three times a year to help social workers and other relevant professionals to form a view about CLA and previously-CLA's current emotional wellbeing.

Suspensions and exclusions

- Past experiences of CLA and previously-CLA will be considered when designing and implementing the school's Behaviour Support Policy.

- The school will have regard to the DfE's statutory guidance 'Suspension and permanent exclusion from maintained schools, academies and pupil referral units in England, including pupil movement' and recognises that suspending or excluding CLA can make them more vulnerable to harm due to not having the protection and opportunities school provides. The headteacher will balance this recognition alongside the need to ensure calm and safe environments for all staff and students, devising strategies that take both into consideration.

Exclusion will only be used as a last resort, after the school and VSH have considered what additional support can be provided to prevent exclusion, and any additional arrangements to support the student's education in the event of exclusion.

- The school will inform parents that they can seek the advice of the VSH on strategies to support their child to avoid exclusion.

Where a CLA is likely to be subject to a suspension or permanent exclusion, the designated teacher will contact the VSH as soon as possible. The VSH will work with the designated teacher and other relevant individuals to consider what additional assessment and support need to be put in place to help the school address the factors affecting the student's behaviour and reduce the need for suspension or permanent exclusion.
