

Cloughwood Newsletter 4th October 2024

A Word From Mr. R. Newton

I am pleased to hear that some of Miss Duval's class are keen to develop a newsletter for Cloughwood Academy. I am very excited to watch this grow and develop and their skills are finely honed. It is a great way to stay in touch with our parents and carers and to celebrate the many successes that our pupils experience.

I also wanted to thank you, our families, for supporting us in our endeavour to achieve outstanding attendance for our pupils. Attendance at Cloughwood has never been better and that is thanks to the hard work you put into ensuring your children are at school and ready to learn.

Preparation For Adulthood:

Great news for EC in Miss Duval's class has successfully completed his Level 2 Food hygiene certificate enabling him to start his work placement in the next couple of weeks.

Reading Buddies:

The reading buddies are growing day by day and becoming what we like to call "Juicy Steaks" by helping out the primary (lower and upper) with their reading and helping them grow confidence and develop their social skills. Thank you to Mr OrrMcGuiness' form for supporting us with this and helping the younger pupils grow.

Independent Travel Training:

Six Key Stage 4 and 5 pupils, who access our Residential Provision, successfully completed an evening of independent travel, which included a trip out for food. We are very proud of the steps they are taking on their journey to adulthood.

New Art Displays:

It was lovely to see the new art displays across the school and watching pupils' sense of pride as they realised their masterpieces were for all to see. Pictures featured are HF in Mr Parish's Class and a free hand drawing of a rabbit by JM in Mr Forshaw's Class as part of his GCSE coursework.

Dates For Your Diary:

- Years 11/12/13 Careers Trip 8th October.
- Key Stage 2, 3 and 4 Inter-Form Games Tournament 11th October.

Cloughwood Fantasy Football Team. Seven pupils who have shown outstanding Sportsmanship this week:
