Proudly presented by Jack Newns and Jaden Gooch

A word from Mr.R. Newton

“It is unbelievable that we are approaching the last week of term! Reflecting on this week I am very proud of the mature attitude from pupils when talking about Mental Health, a crucial part of our PSHE curriculum. Recognising World Mental Health Day on the 10th October is an important part of our pupils’ diet. Pupils are trained to spot warning signs in others and are signposted to where they can reach help. Pupils are assured that if they are struggling all staff are available to support.”

Careers Fair at Brio Leisure Centre

On the 8th October the year 11s and 6th formers went to a Careers Fair at Brio Leisure Centre in Northwich. This is an opportunity for our pupils to gather ideas about possible career pathways for the future. These will be explored during Employability lessons with Mr Harper

and Mr Harvey. Key Stage 4 and 5 pupils can also look forward to the National Apprenticeship Show later in the year.

Inter-form term games tournament:

Games for all years to enjoy

This term’s games were Football, Handball, Dodgeball and Danish Long Ball. Teams were split into 4 groups – England, Ireland, Scotland and Wales. Teams not only earned points for winning but also for team spirit, sportsmanship and behavior.

The winning team from lower and upper school were presented with a trophy during a presentation. (winners below)

Lower school winners were: Ireland - congratulations.

At time of going to press Upper School were still battling it out.

More information on this next week.

Mental health week:

On the 10th October, as a school, we looked at World Mental Health Day. From Lower Primary who spent time looking at emotions adjectives, such as sad and happy; to upper school who looked at signs and symptoms and where to go to get help. This is a very heavy topic and can be triggering for some of us. However, all pupils accessed the day with maturity and showed consideration for those who were brave enough to share personal stories. Staff at Cloughwood made it clear that the school is a safe place where you can talk to anyone if you are experiencing difficulties.

As the ending of mental health week is today we shall list a few numbers/lines that have been discussed in school and may be of use to you should you need them:
