1. Aims

This policy aims to set and maintain standards of conduct that we expect all governors and trustees to follow when making visits to the school.

Governors/trustees do not have an automatic right to enter Cloughwood Academy. When they do so, they are invited guests.

This policy sets out the procedure which all governors/trustees are expected to follow when visiting Cloughwood Academy and how they are expected to report back on that visit to the governing board.

By creating this policy, we aim to ensure that all governors/trustees understand their role and purpose so school visits are a productive and enjoyable event for all involved.

2. Guidance and scope

This policy takes account of best practice and guidance from the [Governance Handbook](#) (section 3.4.2).

2.1 Governors are observers

Boards must know their schools in order to maintain robust accountability.

Through pre-arranged visits that have a clear focus, governors will:

- Observe whether the school is properly implementing school policies, and actions from the school improvement plan
- Observe how those procedures are working in practice
- Have the opportunity to gather the views of pupils and staff

2.2 Governors/trustees are not inspectors

Governors/trustees:

- Will not assess the quality of teaching and learning in the classroom
- Will not manage the school or interfere in the day-to-day operations of the school

3. Visits programme

Governors/trustees will carry out regular school visits in order to meet the board's statutory obligation to monitor the school's effectiveness.

There are 3 types of visits:

- **Formal monitoring visits**, where governors/trustees discuss the progress of the school in a particular area with the relevant staff member

- **Classroom visits**, where governors/trustees can determine if agreed policies and procedures are working in practice, experience the culture and ethos of the school and see examples of pupils' work.
- **Learning walks**, where governors/trustees will go around the school with the relevant staff member to get a feel for a particular area and are likely to talk to a range of staff members and pupils

Governors/trustees will carry out school visits according to the following schedule:

3.1 Governors for health and safety and safeguarding

These governors/trustees will attend:

- A termly 1:1 monitoring visit with corresponding staff leads
- Ad-hoc meetings as required or requested on issues specific to their areas of responsibility

3.2 Subject lead governors/trustees

Subject lead governors/trustees will attend:

- A monitoring visit with the subject lead in September/February/May
- A classroom visit or a learning walk, where appropriate in March and June

3.3 All governors

All governors/trustees should:

- Attend at least 1 school event in the year

4. Before a visit

Governors/trustees will:

- Notify the headteacher and the chair before scheduling a visit, even if the headteacher will not be involved in the visit. They should be made aware as a matter of courtesy
- Schedule an appointment with relevant members of staff in order to avoid friction and ensure visits are scheduled for times that are mutually convenient. Generally, governor/trustee visits are more productive when conducted during a school day
- Be sensitive to the numerous demands staff have on their time
- Clarify the purpose of the visit in advance with the chair, the headteacher and/or relevant member of staff
- Send questions in advance, if possible, to the staff member, so everyone can feel properly prepared

- Be familiar with the school's safeguarding policies and procedures

5. During a visit

Governors/trustees should know how to conduct themselves appropriately during visits in order to minimise disruption for staff and pupils and to receive the maximum benefit from the time spent.

Governors/trustees will:

- Be on time and meet with the headteacher ahead of the visit
- Always wear a Governor/Trustee badge
- Use the agreed recording method for the visit. Photographs and videos are to be avoided unless specifically agreed with the headteacher for a specific purpose
- Remain as observers; they are not there to pass judgement on staff or inspect them
- Ensure all parties are clear about why a governor/trustee wishes to spend time in the classroom
- Check with teachers before speaking to pupils
- Pass on any concerns the staff raise with the relevant people
- Be friendly but professional and dress appropriately, bearing in mind the standards of dress set for teachers and pupils

Governors/trustees will not:

- Pass comment on classroom practice or any specific incidents that happen, judge teaching methods, assess the quality of teaching, or comment on the extent of learning
- Interfere with the day-to-day running of the school
- Behave in a manner than would make staff feel that they are there to inspect, e.g. sit at the back of the classroom with a clipboard
- Raise concerns in the moment. Governors/trustees should note down any concerns they may have and raise them with the chair of governors or headteacher after the visit

6. After a visit

Governors/trustees will complete a written report as soon as reasonably practicable [using the form attached as Appendix A (monitoring visit) or Appendix B (learning walk)], as appropriate. In completing the report, governors/trustees will:

- Use neutral language at all times
- Remain observational, and describe only what they see
- Focus closely on the agreed reasons for the visit, and its strategic role

Once complete, governors/trustees will submit their reports to the following people, in the following order:

- The relevant staff member, both as a courtesy and to check for accuracy
- The headteacher, as a courtesy
- The chair of the governing board or the relevant committee, as agreed

Appendix 1: Template report for a monitoring visit

Part 1: Plan the visit	
Name and role of governor(s)	
Name and role of staff member(s)	
Date and time of visit	
<p>Agreed focus Make sure you focus on this agreed reason for the visit. Avoid getting distracted by other issues that have not been agreed with the member of staff.</p>	<p><i>To discuss the school's new strategy to improve attainment of Key Stage (KS) 2 boys.</i></p>
<p>Relevant school objective or priority This might be taken from the school improvement plan (SIP) objectives or the school's overarching vision.</p>	<p><i>Percentage of pupils achieving 'greater depth' in writing improves at KS2.</i></p>
<p>Questions to ask Note specific questions you want to ask based on the SIP, or points to follow up on from a previous visit. Share these questions with the staff member you are visiting in</p>	<p><i>What is the process for supporting pupils who need extra help?</i></p> <p><i>Have teachers had any training to help them put this into practice?</i></p> <p>Search GovernorHub Knowledge for questions specific to the purpose of your visit. advance, so they can prepare.

Part 2: In the meeting

What is the school doing within this area of focus?

Tips:

- Don't be afraid to clarify any terms or acronyms you're not familiar with
- Remember you are **not** there to pass judgement on staff or inspect them – you remain an observer
- When writing the report, use neutral language and do not name individual teachers and pupils

How do you know the school's actions are having an impact?

Remember:

- Include specific evidence that demonstrates the positive impact the school is having in this area
- Where a positive impact has not been made yet, note down why that is and what steps are being taken to make progress
- Add any further evidence you would like to see to help you make a better assessment of the impact
