

KS3 Science

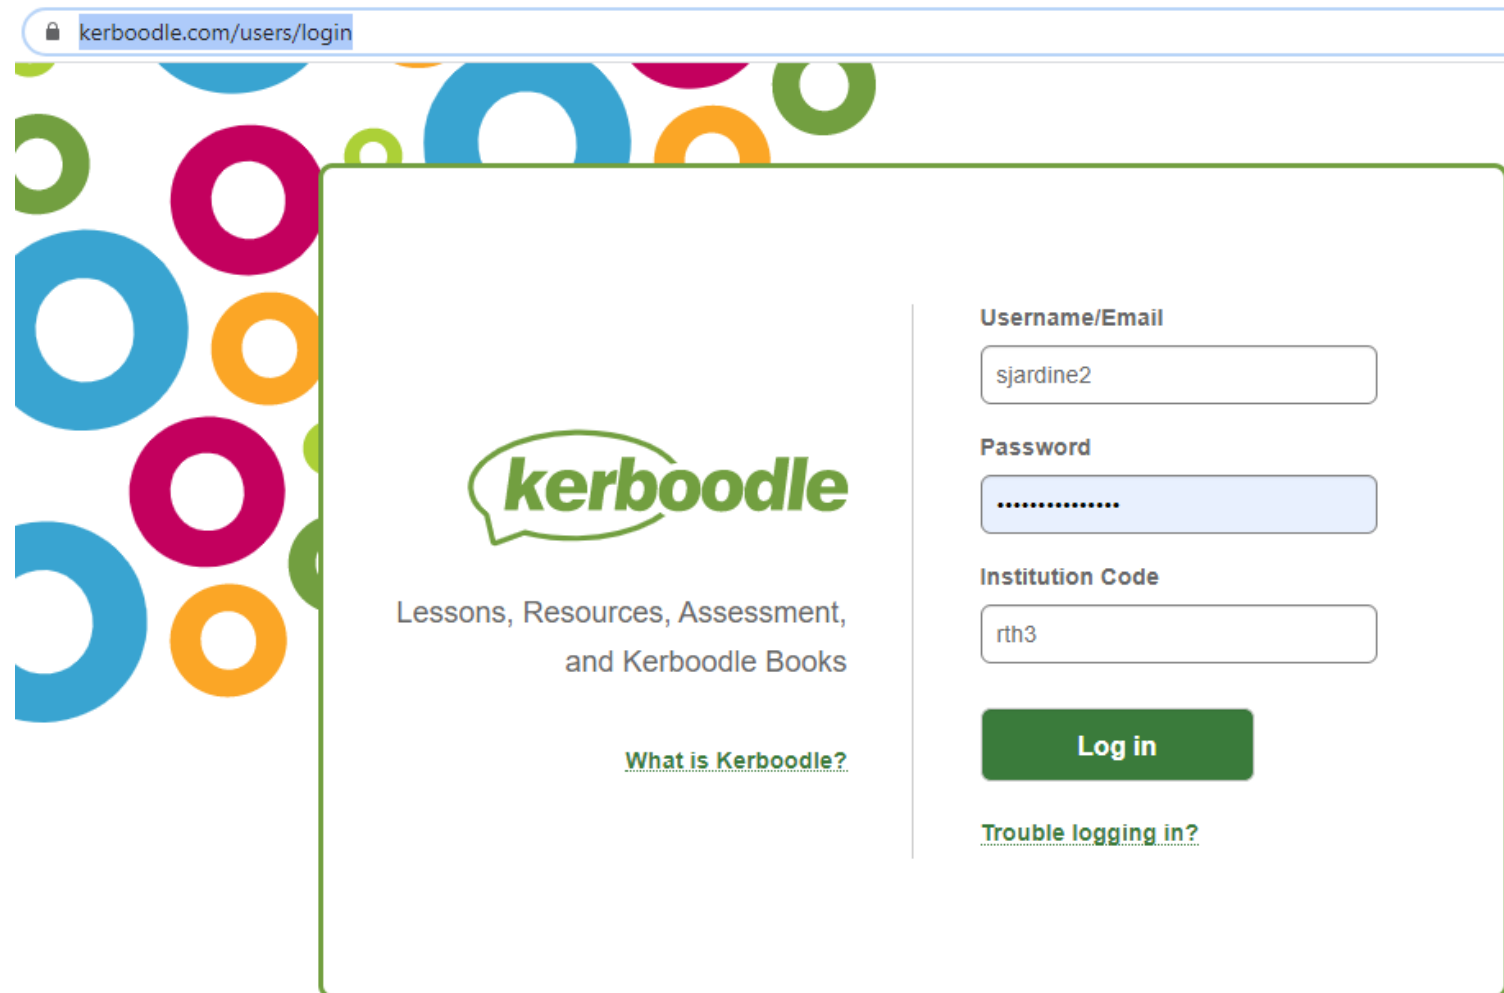

Instructions

- Log in to Kerboodle following the instructions on the following slides.
- Click on 'Activate'.
- Mr Devaynes has provided one assessment for you to complete.
- A digital workbook will be available shortly to support with your learning.
- Mr Devaynes will continue to add new material for you to complete, so please keep checking regularly.
- Good luck!

Kerboodle - getting started for students: watch the video

- <https://www.youtube.com/watch?v=wpys7cupMB0&list=PLW-Dpen99Aj6aBAFMSTcERCu3JjkRovu&index=5&t=0s>
- The following slides will support you in using this valuable resource!

Use the following log in page – you can access this from google by entering ‘Kerboodle log in’!
Enter log in details provided (details on the next page)

A screenshot of the Kerboodle login page. The browser address bar shows 'kerboodle.com/users/login'. The page features a decorative background of colorful circles on the left. The main content area is divided into two sections. On the left, the Kerboodle logo is displayed above the text 'Lessons, Resources, Assessment, and Kerboodle Books' and a link 'What is Kerboodle?'. On the right, there is a login form with three input fields: 'Username/Email' containing 'sjardine2', 'Password' with masked characters, and 'Institution Code' containing 'rth3'. Below the form is a green 'Log in' button and a link 'Trouble logging in?'.

[Trouble logging in?](#)

Entering log in details

- Username – first initial followed by surname (lowercase) e.g. **adevaynes**
- password is the same as your username the first time you log in e.g. **adevaynes**
- It will ask you to change your password the first time that you log in.
- Remember your new password once you change it
- If you forget your password then contact admin@cloughwood.cheshire.sch.uk and advise that you need a password reset for Kerboodle. I will receive an email and will reset your password and contact you to let you know that it is done.
- Your institution code is:
 - rth3
- When you have logged in you will see the next screen
